Preschool Tuition Subsidies

Would you like your child to attend preschool?

Cost does not need to be a barrier! The Saskatoon Preschool Foundation provides tuition subsidies for children to attend a community preschool in Saskatoon and area. For the 2023-24 school year, subsidies will be a maximum of:

\$1000/year for 2 days a week program*

\$1400/year for 3 days a week program*

** Subsidies for the current school year will remain at a maximum of \$800/year.*

There are **many benefits** for children who attend preschool or other early learning programs. These can be seen in the first months of preschool, in kindergarten, and in later life (e.g., increased Grade 12 graduation rates).
